SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

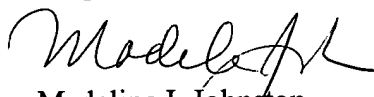

Sir:

An Information Disclosure Statement, Form PTO-1449, and copies of 26 references were mailed to the U.S. Patent Office on September 10, 2003 in the above-referenced application. That Information Disclosure Statement was filed after receipt of an Office action on the merits, and authorization to charge the deposit account \$180.00 as set forth under § 1.17(p) was inadvertently not included in the IDS transmittal, however an authorization to charge the Deposit Account was included in the Petition for an Extension of Time.

To clarify, applicants authorize the Commissioner to charge Deposit Account No. 11-0980 for the § 1.17(p) fee or any additional fees associated with the Information Disclosure Statement mailed on September 10, 2003.
